

**County of Santa Clara  
Commuter Transit and Parking Benefits  
2022 Program Year**

The County's Parking and Transit Pre-Tax Plan allows eligible employees to set aside tax-free dollars to pay for expenses related to commuting and parking for work. You may elect up to \$187.50 per month for transit expenses and to \$280.00 per month for parking expenses. Enrollment is open for a period of time each month, when you can place a one-time order, or set it up as a monthly deduction.

The Parking and Transit Pre-Tax Plan is administered for the County by P&A Group, which charges a \$1.83 service charge for the monthly deduction. Your transportation/parking funds will be loaded onto a Benefits Card that will be sent to you. Your balance will roll over from month-to-month, as long as you are an active employee and remain eligible for this benefit.
